Cohen's Lottery & Exchange-Office.

"HOC SIGNO FORTUNA."

BALTIMORE, FRIDAY, JULY 3rd, 1818.

On Thursday Next,

The 9th inst. agreeably to the Scheme of the Medical College Lottery, the first drawn No. will be entitled to a Stationary Premium of *TWENTY THOUSAND DOLLARS*.—As heretofore, the fortunate holder can receive the CASH for the same, the moment after it is drawn, by applying at COHEN'S OFFICE, where ALL THE CAPITALS WERE SOLD AND PAID in the last Class, and where MORE CAPITAL PRIZES have been obtained than at any other office in America.

A few Tickets or Shares can still be had at the rate of *Fifteen Dollars*. ORDERS, enclosing the Cash, or Prize Tickets, *post paid*, will, as usual, meet with immediate attention, addressed to

J. I. COHEN, Jr.

No. 110, Market-street, Baltimore.

The drawing will be completed early next month.

The Fortieth Drawing.

After next Thursday, the Medical College Lottery will progress *four times a week*, so that the 40th drawing, on which day the great Stationary Prize of *THIRTY THOUSAND DOLLARS*, will be awarded, will be on *TUESDAY the 28th of the PRESENT MONTH*—As it is most probable that but very few, if any, chances can then be obtained, it is advised that adventurers send on their orders without delay at this office, to prevent disappointment, more particularly as the

price will be advanced if any tickets remain on hand.

The 4th Masonic Drawing

will take place on Friday next—the first drawn No. will be entitled to Five Hundred Dollars.—The list of the third drawing will be found on the opposite page. In a short time the drawing will progress oftener—tickets are still at Twenty-Five Dollars, and shares in the same proportion, to be had at this Office.

PENSACOLA TAKEN.

Extract of a letter from Dr. Watkins, Post-master at Fort Claiborne, Alabama Territory, to the Editors of the Milledgeville Journal, dated May 27th.

"I take the liberty of informing you, that Gen. Jackson took possession of the Spanish town of Pensacola on Sunday about 10 o'clock, without the fire of a gun. The governor of the place and some of the inhabitants have betaken themselves to the Barancas, with a determination to maintain the post as long as possible. The general was making preparations to move against the Barancas on Monday morning, when my informant left Pensacola. His force is said to be 1200, and that of the enemy 300. The Barancas is strong, situated at the entrance of the harbour; but is commanded by an eminence, on which there is a fort. The taking of the latter will insure the former."

ST. STEPHENS, June 2.

Gen. Jackson, after having obtained possession of the town of Pensacola, summoned the fort at the Barancas (at which place the Governor, the troops, together with some of the citizens had taken refuge) to surrender; on refusal, com-

menced entrenching with a view of attempting its reduction by regular approaches, and at the same time, the firing began on both sides, with but little effect. After continuing these operations for three days, with the loss of two on the part of the American forces, and thirteen Spaniards, the Governor surrendered, on condition, that the Spanish troops, and all the citizens who might wish it, together with a very noted Seminole chief, who was in the fort, should be transported to the Havana at the expense of the American government.

The flag of the United States is now waving over the walls of the Barancas and in the town of Pensacola.—*Halcyon*.

A correspondent in Alabama, writing us on the 4th inst. just after hearing of the late affair at Pensacola, mentions that several Indians were taken in the town, but he had not learned whether any were found amongst the Spaniards in the fort. It was understood that neither the governor nor any of the Spanish officers were subjected to personal restraint, though the soldiers were; and the whole were expected to embark for Havana. General Jackson had left Pensacola, on his return to Tennessee.—*Nat. Int.*

We learn from letters received in this city, that Messrs. Rodney and Graham left Buenos Ayres 24th April, for Monte Video, to embark in the Congress, on their return home, and as they intended we understand, merely to touch at one or two places on the coast, their arrival may be looked for every day. Mr. Bland does not come home in the Congress, having, as already stated, undertaken a visit across the continent to Chili, which will necessarily delay his return for some time.—*ib.*
